

2021-2022 Pan American Intercollegiate Chess Championships Student Eligibility Form

Instructions for Registrar: This form should be signed, dated, and stamped with your University's seal by your University Registrar or commensurate authority confirming that each section is true, if applicable, as filled out by the student or registrar's office. If your school does not compute GPA, then use the chart on the back of this form to calculate.

Instructions for competing student: This form must be filled out by the student with the assistance of your Registrar. Once completed, signed, dated, and stamped by your University Registrar, scan and email this completed form no later than January 3, 2022 to PanAmEligibility@gmail.com. You will receive a return email. **Be sure to bring the original form to the event.**

How to Calculate Grade Point Average (GPA)

Some schools do not officially compute Grade Point Average (GPA) or maintain a system of Class Ranking. However, because students are asked to submit a GPA as part of this eligibility process, we ask that you use the following scales when converting letters to numeric equivalents:

Letter Grade Point Conversion

A	4.0
A -	3.7
B +	3.3
B	3.0
B -	2.7
C +	2.3
C	2.0
C -	1.7
D	1.0
F	0.0
